b. Incoming Correspondence

1) Michelle Feigelis/ EI Associates

RE: Question on land survey

(August 3, 2005)

Ms. Feigelis writes to the Board with a question on a land survey that she had completed. Specifically, she feels that the survey is missing information and would like the Board to inform her of what items should be included on a survey.

2) Douglas E. Akin, PLS, PP

RE: True Meridian Pillars at County Court House

(August 22, 2005)

Mr. Akin writes to the Board and asks if Title 51:3-1 and 3.2 are still required of New Jersey counties to maintain pillars showing true meridians.

3) Pete Nogare/ McGraw-Hill Employees/ Federal Credit Union

RE: Excess of footage on a residential property

(August 24, 2005)

Mr. Nogare writes to the Board if there is an excess of footage on a residential property, is that excess absorbed by a corner lot. He also asks if there is a penalty for destroying survey pins.

4) Larry Bowers
RE: Comment on disciplinary actions
(August 24, 2005)

Mr. Bowers writes to the Board requesting that it revise its current listing of disciplinary matters to include the specific violations of those individuals that have had disciplinary actions taken against them.

5) Lt. Thomas Ritter
RE: April 2006 PE Exam
(August 27, 2005)

Lt. Ritter requests the Board's permission to have the PE examination proctored in the Middle East as he is currently deployed overseas and will not be able to obtain a leave to take the examination in the United States.

6) David Bernhardt
RE: PE license
(September 28, 2005)

Mr. Bernhardt writes to the Board requesting clarification on the process entailed for a New Jersey licensed architect to apply for a New Jersey PE license.

7) James Hoffman, CEM, Principal/ Engineered Design Group
RE: Engineered Design Group
(October 4, 2005)

Mr. Hoffman writes a general correspondence indicating the various services offered by his company.
