-

COMMUNICATIONS

4. Charles Manning, Regulatory Analyst, Division of Consumer Affairs, appeared before the Board on October 6, 2010, regarding the scope of practice of master HVACR Contractors.

Board to discuss the definition of a dwelling unit as described in the National Electrical Code.

ASSEMBLY BILL No. 2394

5. Board to review Assembly Bill No. 2394 which changes the definition of “electronic security system” contained in the law. The definition of “electronic security system” is expanded to include access security systems, closed circuit television systems, intercom systems and other electronic monitoring devices. The Bill also establishes definitions in this law for “access control system”, “closed circuit television system”, “Internet protocol and any successor protocols” and “intercom systems”
