COMMUNICATIONS

LOUIS JIACOPELLO, JATC

9. Letter dated August 25, 2015, received from Louis Jiacopello, Training Director, Joint Apprenticeship Training Committee, stating his apprentices attend a five year training program that follows the guidelines of both the United States Department of Labor and the New Jersey Bureau of Apprentice Training. The apprentices receive a total of ten thousand (10,000) hours of on the job training, over 1,000 hours of classroom participation, and over 30 hours of classroom lessons on the National Electrical Code for each year.

Mr. Jiacopello requests that the Board consider recognizing this five year training, with respect to the National Electrical Code, as satisfying the requirements of N.J.A.C. 13:31-5.1.

Mr. Jiacopello also asks that the Board consider approving the JATC instructors to teach the required nine hours of code and one hour of state law to the journeyman who have completed their training program.

J J WHITE, INC.

11. This matter was reviewed by the Board on June 3, 2015 (#11)

Letter dated March 20, 2015, received from James J. White, IV, President, J J White, Inc., requesting a six-month continuance of business. Mr. White states Douglas Emenecker, License #17057, was the licensee for his company and has recently been terminated. Mr. White requests that James J. McGuckin be allowed to qualify the business for the six-month period.

Office files reflect James J. McGuckin submitted an application for examination which is pending.

The Board requested that a letter be sent to Mr. White advising him that the Board will allow J J White, Inc. to complete jobs already in progress, but will not be allowed to contract for new work until such time as the company acquires the services of a licensed electrical contractor to endorse the business permit to J J White, Inc.

Mr. White was directed to provide the Board with a listing of all New Jersey projects along with a copy of each permit.

In response to the Board's request, a letter dated August 31, 2015, was received from James M. Daley, Senior Vice President of Operations, J J White Inc., stating his company has secured the services of a licensed electrical contractor and no longer requires a six-month extension. Mr. Daley also states there were no active electrical jobs in New Jersey.

Office files reflect Michael Dasaro, Jr., was approved on April 1, 2015 to endorse his Business Permit #17791 to J J White, Inc.
