The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

Rollin' for Riches is a roll down game. The game begins by having five dice spin on the display board. After the dice stop spinning, the first die button will light up. The player can either press the button and keep the number or roll the ball down into the playfield in an attempt to get a slot with the desired roll or number. The player does this five times attempting to create the best possible combination of numbers. Tickets are awarded based on the combination achieved.

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tokens or tickets.
- 3.) Game shall be clean and free of debris.
- 4.) Game shall be installed and maintained according to manufacturer specifications.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
