

Phases and Timelines for NJ PE (Professional Engineers and Land Surveyors) below:

State Board of Engineers and Land Surveyors (PE/LS) Application Phases and Timeline

<p>Phase I</p> <p>Timeframe: 2 to 3 weeks</p> <p>Please note: At any point in either Phase I or II, the applicant may be requested to provide additional information/clarification.</p>	<p>Phase I is the estimated time between receipt of a completed application (online) and the Board staff's initial review of the application and supplemental documentation. At the conclusion of Phase I, you will receive email communication advising of any application deficiencies.</p>
<p>Phase II</p> <p>Timeframe: 6 to 8 weeks</p> <p>Please note: Applicants who have NCEES records with MLE (Model Law Engineer) designation and have no deficiencies and/or criminal records may receive in-house approval without need for Board review.</p>	<p>Phase II is the estimated time for final Board review.</p> <p>Please note, applications requiring additional information/clarification for Board review will add 4 to 6 weeks to Phase II.</p> <p>*Please note, applications with criminal history or adverse actions requiring additional Board review will add an additional 4-6 weeks to Phase II. The estimated timeframe assumes the applicant will take immediate action to provide responsive documentation as requested.</p>
<p>Phase III</p> <p>Timeframe: 2 to 3 weeks</p>	<p>Phase III is the estimated time between approval and applicant notification.</p> <p>Upon approval of your application, a congratulations letter and license fee invoice will be emailed to you. Once the license fee is paid, your license number will be issued and you should receive your hard copy license in the mail within 10-15 business days. To verify the status of your license and to view your license number, please visit our verification website.</p>
