COMMITTEE REPORTS

A Standing Committees:

I Legislation Committee

- a A-3290 which requires professional licensing boards to issue licenses for certain individuals with good standing licenses or certifications in other jurisdictions under certain circumstances.

ACTION: The Board determined to take no position on this bill as there is already a process in place to allow licensure for spouses of military personnel. The Board feels this bill is unnecessary.

II Application & Examination Committee

ACTION: Nothing to report.

III NCEES Committee

ACTION: BM Alsharaa, BM Smith and BP Purcell attended the NCEES Annual meeting in Carlsbad, California. Despite having a very full agenda it was the shortest meeting in recent memory. Laura Severs is the new President-Elect. BM Alsharaa reported that during the engineering forum, students were encouraged to pursue the FE and PE exams for licensure.

IV Land Surveyor Continuing Education Committee

ACTION: Duly noted.

V Joint Committee

ACTION: The September meeting was canceled due to a lack of agenda items. The next scheduled meeting is January 3, 2023.
