INFORMATIONAL / DISCUSSION ITEMS

Digital signatures and Government Agency Requirements

BP Purcell raised some concern that there is a misinterpretation of the Board’s digital signature regulation among other Government Agencies. NJ DOT seems to be requiring a digital signature on every single page, which is not the intention of the Board’s regulation on digital signature. The Board requested Executive Director Miller set up a meeting with representatives of NJ DOT and the Board to clarify this issue.

PUBLIC COMMENTS

James Hiser, NJ LPS Liaison to the Board, informed the Board that approximately two months ago he requested verification of his license be sent to another State Board and has not received a response. Executive Director Miller requested he send an email to him today and he will look into the matter.

EXECUTIVE SESSION

The Board, on a motion by BM Vernick, seconded by BM Paparozzi, unanimously voted to go into Executive session for the purpose of reviewing the minutes and disciplinary matters on the agenda.

ACTION: The Board discussed the next two meeting dates. On a motion by BM Vernick, seconded by BM Paparozzi, the Board unanimously voted to cancel the November 17th meeting and re-schedule the December 15th meeting to December 1st.

ADJOURNMENT

On a motion by BM Smith, seconded by BM Paparozzi the Board unanimously voted to adjourn the meeting at 2:00 p.m.
