General Report

Joseph Grabowy, Assistant to the Executive Director, informed the Board that he contacted Allan Hicks and Matthew Cook from PCS concerning the methodology used for seating candidates at examination sites. He indicated that candidates are grouped together by examination type (i.e. civil, mechanical, etc.) and by social security number. He also informed them of the Board's concerns that repeat test-takers were observed seated next to each other at subsequent examinations. After discussing this matter, the Board requested that PCS review its methodology on seating arrangements.
