INFORMATIONAL/DISCUSSION ITEMS

The Board reviewed and discussed the August 5, 2013 memo from Jerry Carter, NCEES Executive Director, regarding the NSPE Position Statement recommending that State Boards allow flexibility in permitting candidates to take the Principles and Practice Exam (PE exam) after successful completion of the educational requirements and the FE exam but prior to obtaining fours years of experience.

DISCUSSION: BM Vernick raised his concern that candidates who pass the PE exam may hold themselves out as Professional Engineers without a license and thereby mislead the public.
