

ATTENTION CONSUMERS:

You have the right to review this pharmacy's prescription drug retail price list, which contains the current retail price charged by this pharmacy for the 150 most frequently prescribed drugs in the State. Additional information concerning prescription drug prices may be obtained at www.njdrugprices.nj.gov or by contacting the New Jersey Division of Consumer Affairs at 1-800-242-5846.

You have the right to obtain price comparison information for generic prescription drugs.

It is very important that you tell your healthcare practitioner and the pharmacist about all of the medications and supplements that you are taking or will be taking and to ask them how to avoid harmful interactions between those drugs. You should also ask your healthcare practitioner and pharmacist about any side effects associated with drugs you are taking or will be taking or any other question you may have about the drug.
